

Allied Bolt

Fasteners

Features

- Screws are manufactured from hardened steel
- Screws are zinc plated to meet ASTM B633, Type 2 specification; bright silver finish with blue cast
- Washers are Grade 2 steel, hot-dipped galvanized to meet ASTM A153, Class C on round washers or Class D for square washers

Application

Screws and Washers are manufactured to the highest quality standards for durability. Screws are fabricated for hardened steel with electrodeposited zinc plating. They meet or surpass industry standardized testing by independent laboratories.
