

## Allied Bolt

### Plastic Cable Clips

#### Features

- Nails/screws in clips are ready to use
- Nails and screws meet or exceed 300 hours of salt spray testing with no indication of corrosion
- Nail clips are equipped with heat treated, yellow chromate hardened nails
- Injection molded from high impact plastic and UV stabilized (in black only) to maintain durability at high and low temperatures
- Clips available in white, black, tan and gray
- Accommodate either ground wire or series RG-6, -11, and -59 coaxial cable
- Screw-in clips are equipped with a #8 x 1" slotted Phillips hex head, black zinc plated, self-tapping screw
- Clips provide maximum longevity in outdoor applications

#### Application

Allied Bolt fully insulated cable clips provide safe and easy installation of coaxial cable while helping prevent cable damage.
